

Town of Ellington

Soil Suitability for Agriculture

Legend

Farmland Soil Classifications	
	Class 1 (Prime Farmland)
	Class 2 (Prime if Drained)
	Class 3 (Prime if Not Flooded)
	Classified as Not Prime

Prime Farmland is considered Prime if all of the soil properties are favorable for row crop production. Non-Prime soils can be productive with proper management controls.

Disclaimer

Soils Data extracted from the Standard State Soil Survey Database as provided by USDA and the Natural Resources Conservation Service which is the best available information, it has not been field verified.

This Base Map was prepared by the Outagamie County Real Property Listing and Planning Departments. The map accuracy is limited and no warranty is made, and this map shall not be used as a substitute for an accurate field survey.
