TOWN OF ELLINGTON NEWS  
Fall/Winter, 2025

The town had two major road projects this past summer.

1. Market Road had a complete bridge replacement. The old wooden pile bridge was replaced with a pot in place concrete bridge, which was completely paid for by the federal government. The road approaches were reclaimed, shaped, and paved on the north and south side of the bridge. The town had to acquire some right-of-way from two property owners to fit the bridge in with proper slopes.
2. Grandview Road was a complete regrade which was lowering the hill along with placing curb and gutter along a large portion of the project so we could get a wider roadway. Culverts were replaced and slopes of the road were filled out to make a safe road for the general public to drive on. The town is responsible for 20% of the cost of the project, the rest was paid through a grant we received. The town was responsible for the acquisition of property along the project. The project went well and finished on time!

The Grandview Road project is up for a “very distinguished award” given out by the DOT. It is being nominated for best design and construction practice for small projects in the state. That is something we as a town should be proud of. Also, as a board member, I would like to thank all the people in the town for being so patient during construction, especially the folks who reside on the road.

Thanks again for all the people that were involved in the planning of these two projects.

We are now gearing up for snow removal along with some minor projects we would like to complete; if weather and funding allows us to.

FREQUENTLY ASKED TAX QUESTION:

There is a special assessment charge for POWTS and/or DRAINAGE DISTRICT on my taxes, what is this?

POWTS is for “Private On-site Waste Treatment System” and is a special assessment from Outagamie County for record maintenance; the DRAINAGE DISTRICT is a special assessment established by the County Drainage Board for a natural water flow district on your property which they have jurisdiction. The Town has no authority over these assessments.

Ellington Fire Department and First Responders

The Ellington Fire Department and First Responders would like to sincerely thank everyone who joined us for our annual fundraiser on September 6. The weather cooperated, and the turnout was fantastic. Events like this bring our community together, allowing us to connect with residents, display our equipment, and show how we work every day to keep Ellington safe.

Last year’s fundraiser allowed us to upgrade our “Jaws of Life” extrication tools from older hydraulic models to new battery-powered units, giving our firefighters faster, more reliable rescue capabilities. This year’s fundraiser will support the replacement of our air cascade system, which refills the breathing air tanks firefighters use during fires and rescues.

Keep Address Signs Visible

Maintain your address sign and keep it visible at all times. It is difficult for emergency personnel to locate you when number plates have become weathered or overgrown by shrubs.

A Closing Message from the Ellington Fire Department

We’re proud to serve this community and grateful for your continued support throughout the year. By following a few safety tips and looking out for your neighbors, we can all help keep Ellington safe, strong, and ready for whatever winter brings.

**Stay safe, stay warm, and have a wonderful holiday season!**  
-Your friends and neighbors in Fire Safety and Emergency Medical Services
